

ME Residence

Our Services:

- Airport transfer: We pick up students from Changi airport upon their arrival to Singapore as well as send students' upon departure for their home country
- We organize a welcome party for new students to allow them to be acquainted with the rest of the homestay mates as well as a brief orientation program of your Educational Centre and living in Singapore (food, public transportation, opening of bank account, etc)
- Provide 3 meals per day (optional): breakfast, lunch, dinner, students will have the opportunity to experience a variety of international cuisines (Chinese, Thai, Indonesian, Japanese, Indian, Malay, Western, Italian, etc.)
- Laundry and ironing service is provided (optional) for student's uniforms and casual clothes
- No utility charges, free unlimited internet access and housekeeping
- Guardian to monitor and oversee overall academic progress and social well-being of students
- We also work closely with lecturers and staff at school to monitor students' academic progress
- We provide full time in-house English Language lessons and English Literature courses
- 24 hour security system and caretaker to ensure consistent maintenance of household orderliness and hygiene at the homestay premises
- All students will be given academic guidance and homework supervision by specially assigned tutors
- Being far away from home, students may feel homesick and may choose to speak to our in-house counsellor for guidance. We believe that this support system is important as it may help students in coping with academic pressure as well as adjusting to independent living abroad and the social life in Singapore

Competitive advantage:

- ✓ We have guardians that are able to converse with students in their native language (Mandarin, Korean, Bahasa Indonesia, etc)
- ✓ We are able to provide group transportation arrangements for additional classes or activities outside of school

- ✓ We provide in-house English language and literature courses as well as organize activities and outings to encourage healthy bonding amongst students
- ✓ Enrichment classes, additional tutorial, and other extra outdoor excursions can also be arranged upon request
- ✓ Job search and work pass application for students seeking internship/training and employment in Singapore upon graduation

Additional Activities:

We celebrate birthday parties for students as well as and hold fun games, activities and excursions during special occasions like Valentines day, Halloween and festive celebrations such as Chinese New Year, Hari Raya, Deepavali, Christmas, Easter, Mooncake festival, etc. to allow students to experience the rich and diverse multi racial culture of Singapore. For leisure, we also organize weekly outings for students to enjoy movie marathons, bowling, park activities like roller blading, cycling, jogging, visiting public libraries, fun fairs, concerts, local tourist attractions and other places of interest. We also assist students in signing up for music, theatre, arts, self-defense and dance classes. For students who are keen on outdoor sports, we also arrange beach and camping trips as well as weekend island getaways for fishing, canoeing, scuba diving and jungle trekking.
